1970 INDEX

Current

The new thinking
from all sources
on the frontier problems of today

1970 INDEX
NUMBERS 114 - 124
JANUARY - DECEMBER

By Subject: Entries are listed here by subject, followed in order by month of appearance in Current, name of author, and page number.

By Author: The author index lists the names of authors and organizations whose work was reprinted in Current. Entries give the original source and date of articles, the titles of books and pamphlets, and the place and date of delivery of addresses. Full details on original sources can be found in each issue of Current.

In both the subject and author index, the month in italics and the numeral following it refer to the issue and page of Current where the material can be found.

Subject Index page 3
Author Index page 6

CURRENT'S SOURCES

Current's sources of material include not only newspapers and periodicals in the U.S. and abroad, but also: academic journals and proceedings of learned societies; books, pamphlets and reports from commercial publishers, universities, foundations and funds, citizen organizations and special interest groups; television and radio commentators, interviews, forums; government and inter-government sources; statements of opinion leaders.
